

Cable Internal Halyard Flagpole
Ground Set Installation

IRW-GS

Gold Anodized

Satin Aluminum

Spun Collar

Accessory Specifications
Satin Aluminum (02), Standard Gold Anodized Ball (90056-004), Standard Spun Collar (94508-004)

Features
Internal Cable Halyard Flagpoles provide the best solution to the problem of vandalism. The heart of the system is a custom stainless steel gearless winch. The winch is accessible only through a keyed door access. The cable assemblies are constructed of stainless steel components. Flagpole comes complete with cable assembly, retainer ring, counter weight, and two snap hooks.
