Heavy Duty Cleat

Accessory Specifications
Satin Aluminum (02), Standard Gold Anodized Ball (90056-002), Standard Spun Collar (94508-002), Standard 9" Heavy Duty Aluminum Cleat (90037S)

Features
The External Halyard System Utilizes the traditional method for raising and lowering flags. Standard fittings include a spun aluminum ball, a heavy cast aluminum revolving truck assembly with a single sheave, braided nylon halyard, snaphooks, cast aluminum cleat, spun aluminum collar and ground sleeve assembly. Many upgrades including double halyard systems, cast collars, heavy duty truck assemblies, and cleat covers. Lighting for your flagpole is also available.
